# Summary/Reason Statement for DRH08-00182

## Staff's Recommendation

Approval with Conditions

## Summary

S. Scott Huerd requests Historic Preservation approval to demolish the garage and construct a two-car garage, change the exterior materials, construct a fence and re-landscape the property located at 1410 North 18<sup>th</sup> Street and construct an outdoor patio with grill and fireplace, change the fence to wrought iron and remove mature trees on property located at 1414 North 18<sup>th</sup> Street in an R-1CH (Single Family Residential with Historic Overlay) zone.

1. In order for the Commission to approve a demolition or relocation request at least three out of the five Findings found under Boise City Code §2-18-9C must be met. Three of these five Findings have been met. The garage does not possess the historic significance necessary to meet landmark status; the proposed demolition will neither adversely affect the District as a whole, nor adjacent properties; and the project developed under the submitted plans will generally have a positive effect on the District and the adjacent properties.
2. BCC Section 2-18-11.01 A states that the request shall be consistent with the Design Guidelines for Boise City's Historic Districts. This application is not within one of the Commercial Districts therefore this finding does not apply to this application.
3. BCC Section 2-18-11.01 B states the request shall be consistent with the Boise City Design Guidelines for Residential Historic Districts. The application as conditioned will comply with the requirements of this finding.
4. BCC Section 2-18-11.01 C states the request shall be consistent with The Secretary of the Interior's Standards for Rehabilitation, or other standards as applicable (preservation, restoration or reconstruction). This application is consistent with the Secretary of Interior's Standards for the Treatment of Historic Properties. It

neither creates a false sense of history, nor detracts from the historic neighborhood as a whole.

5. BCC Section 2-18-11.01 D states the request shall support the goals, objectives and policies of the Boise City Comprehensive Plan and the plans referenced therein. The application is in compliance with the goals, objectives and policies of the Boise City Comprehensive Plan.
6. BCC Section 2-18-11.01 E states that based on the adopted design guidelines the request will not be incongruous with the historical, architectural, archaeological, educational or cultural aspects of the district. This application is congruous with the historical, architectural, archaeological, education and cultural aspects of the district.
7. BCC Section 2-18-11.01 F states that the request must comply with the dimensional standards and other applicable requirements of Title XI (Zoning Ordinance) including, but not limited to setbacks, height restricts and parking requirements unless the Commission finds that modifying the standards is necessary to protect the overall characteristics of the district and to comply with the adopted design guidelines. This application complies with all of the dimensional requirements of the underlying zone as laid out in Title XI without the need for a waiver or variance.
