MEMORANDUM

MEMO TO: Historic Preservation Commission

FROM: Julie Archambeault
Historic Preservation Planner
Boise City Planning and Development Services

RE: DRH08-00203

DATE: July 14, 2008

Project Description: T-MOBILE requests Historic Preservation approval to increase the height of a power pole, place a cellular antenna on the top, construct a small structure to house the associated equipment and fence the area on property located at 1408 N. 14th Street in an R-1CH (Single Family Residential with Historic Overlay) zone.

Project History: This project was originally scheduled for the July 14, 2008 hearing of the Historic Preservation Commission. However, Staff has not received elevations, and the setbacks for the accessory building are not in compliance with zoning code. Therefore, Staff recommends a deferral of the application due to lack of information.

Staff Recommendations: Staff recommends approval of the deferral of the application to July 28, 2008.
