RE: ***DRH08-00296 / 825 W. Fort Street***

Dear Applicant,

This letter is to inform you of the action taken by the Boise City Historic Preservation Commission on your request to demolish a portion of the single-story classroom annex south of the gymnasium and replace it with a slightly larger two-story classroom addition, with a connection to the classroom building flanking Fort Street.

The Commission, at their hearing of September 22, 2008, approved your request.

Enclosed is a copy of the Reason Statement under which the Commission based their approval and a Certificate of Appropriateness that includes all relevant conditions.

Findings for the decision are to be appealed to the Boise City Council within ten (10) days from the date of issuance. Appeals must be written, accompanied by the appropriate fee and submitted to the Planning and Development Services Department prior to the deadline set forth herein. Appeal application forms are available in the Planning and Development Services Department or online under Applications at:

**[www.cityofboise.org/pds](http://www.cityofboise.org/pds) or <http://64.77.8.212/pds/apps.asp>.**

In the event the application is appealed and the City Council makes a final decision regarding said appeal, the landowner may request a regulatory taking analysis for that decision and/or conditions within 28 days following such final decision in accordance with Section 67-8003 of the Idaho Code.

Please contact me at 384-3830 if you have any questions.

Sincerely,

Sarah M. Schafer
