Re: YMCA CUP08-0027 Special Exception on 1102 W. Hays Street  
GBS File No. 09287-020

Dear Ms. Schafer:

As we advised the City Council was always our preference, the Treasure Valley YMCA has been able to avoid building the temporary parking lot located on 1102 W. Hays Street. We understand that NENA has filed an appeal of the Boise City Council's approval, and is prepared to withdraw that appeal if the YMCA decides not to go forward with the parking lot.

Therefore, this letter is to notify you that, so far as the YMCA is concerned, the appeal may be dismissed or withdrawn by NENA, as it may prefer, provided that the City has no objection.

Thank you.

Very truly yours,

GREENER BURKE SHOEMAKER P.A.
