**Re: DRH08-00296 / St. Joseph's School Expansion
Historic Preservation Time Extension (2)**

Dear Ms. Bicandi:

This letter is to inform you that the Planning and Development Services Department has received your request, dated received 25 February 2011, for a one (1) year time extension regarding the above referenced project.

Per the Zoning Ordinance, Section 11-07-07, at the time of your original approval, a one (1) year time extension, with a maximum of three (3) such extensions are allowed. Therefore, the approval period is now ending 22 March 2012; one additional time extension may be granted upon request.

Please note that this ordinance has since changed, and a maximum of two, 2-year time extensions are allowed for future projects.

If you have any questions, please contact this department at 384-3830.

Sincerely,

Matthew Halitsky, AICP
Historic Preservation Planner
