RE: Neighborhood Meeting Notice –
Rezoning of properties within the campus planning area which are currently owned by
Boise State University

Dear Neighbor,

Boise City Code requires an opportunity for a meeting between the applicant for rezoning action and the residents of the neighborhood where the parcel is located. This meeting shall occur prior to formal submittal of the application to the City; it is not a public hearing and public officials will not be present.

Please join the Campus Planning Team for a review and discussion of the proposed rezoning of properties within the campus planning area which are currently owned by Boise State University. This action follows the adoption of the updated campus plan as an amendment to Blueprint Boise, the Comprehensive Plan for the City of Boise. Residents are encouraged to ask questions and provide comments.

When: August 13, 2015 from 7:15 – 8:00 PM

Where: Boise State Student Union Building, Simplot A Ballroom
1700 University Drive, Boise, ID 83725
