Re: Neighborhood Meeting for proposed Kristen's Subdivision  
Indian Lake Golf Course – Wednesday, August 12, 2015 – 6:30 PM

Dear Resident,

This letter is to notify you of a proposed development project in your area. Boise City Code requires an opportunity for a meeting between the applicant of a development proposal and the residents of the neighborhood in which the development site is located. The meeting shall occur prior to formal submittal of the development application to the City. This letter is such notice of an opportunity to review and discuss the proposed Kristen's Subdivision project. This project is the first phase of the Hawk's Landing Planned Community formerly named The Reserve Master Planned Community and Syringa Valley Master Planned Community. This project has been in the planning stages for several years and you may have been invited to previous neighborhood meetings. Construction on the project is expected to commence sometime next year.

The neighborhood meeting will take place at the Indian Lake Golf Course club house on Wednesday August 12, 2015 starting at 6:30 PM.

Please note: this is not a public hearing; public officials will not be present. If you have any questions regarding this Boise City Code neighborhood meeting requirement, please contact the Planning Division of the Planning & Development Services Department at 384-3830.

If you have questions about the development project, please contact the representative listed below.

Sincerely,

Civil Survey Consultants, Inc.
