Re: Solid Waste Comments, SUB16-00006, PUD16-00005, 6781 E. Warm Springs Ave.

Trash service will be provided on private streets/driveways only when a service agreement is signed, parked cars do not impede collection, and adequate space for the 38' collection vehicle to turn around is provided. All streets and the turn-around area of the development must be marked as no parking anytime or trash service may be refused.
