Bill,

Thank you for letting me review the fencing at Warm Springs Village. I do not have any concerns at the moment of what was completed. Please let me know if you require any additional technical assistance.

Thank you,

Krista

I can go take a look on Wed myself, no need to have someone meet me. I will let you all know if I have any concerns/changes or if you are good to go.

Krista,

Thanks very much. I'm going to be out of town that day but can arrange for someone to meet you. It's wide one and the streets are in, so it may be that you take a look on your own. Let me know.

Bill
