Erosion & Sediment Control

1. Project Type:

2. Approximate Acres Disturbed:

Note: Single Family/Duplex/Townhouse must list within .10 acres; all others must list within .25 acres.

The following items require approval by PDS Erosion and Sediment Control

Permit Variance Waiver Request

Plan Waiver Request for Erosion & Sediment Control Plan requirement

Verification of Legal Lot or Parcel Status

Acceptance of this application does not validate the legal status of any lot or parcel. Prior to submitting for a Building Permit you must have a Verification of Legal Parcel Status form signed by the Boise City Subdivision division. It is the applicant's responsibility to provide deeds and/or other documentation to the Subdivision division. See Verification of Legal Lot or Parcel Worksheet for submittal requirements.

Required Documentation and Drawings

See Commercial Grading & Drainage with Utilities Submittal Checklist for requirements.

Staff will perform a review for completeness prior to accepting Commercial Grading & Drainage with Utilities applications.

Additional Required Permits

The erosion and sediment control section of this application is required with the building permit.

Trade permits for mechanical, plumbing and electrical are obtained separately.

Underground fire sprinkler permit is obtained separately.

The undersigned declares that the above provided information is true and accurate.

The undersigned acknowledges that failure to provide true and accurate information may result in rejection of this application, possible revocation of the permit where wrongfully issued and subject the undersigned any applicable civil and/or criminal penalties.
