Would you like to file a request for the City Impact Fee exemption?

No - City Impact Fees will be applied
 Yes - Complete the section that below and include/upload any supporting documents

Development Impact Fees Exemptions Request

"Development Impact Fee Ordinance," Per Boise City Code: "Exemptions"

IMPORTANT: The developer must apply for impact fee exemption at the time of application for a building permit. Any exemption not claimed prior to the issuance of a building permit shall be deemed waived by the fee payer.

Exemptions -Standard:

- Rebuilding the same amount of floor space of a structure destroyed by fire or other catastrophe, provided the structure is rebuilt and ready for occupancy within two (2) years of destruction;
- Remodeling or repairing a structure which does not increase the number of square footage or residential units;
- Replacing a residential unit, including a manufactured home, with another residential unit on the same lot, provided the number of residential units does not increase;
- Placing a temporary construction trailer or office on a lot;
- Constructing an addition on a residential structure which does not increase the number of residential units;
- Adding uses that are typically accessory to residential uses, such as tennis courts or clubhouses, unless it can be clearly demonstrated that the use creates a significant impact on the infrastructure capacity of the Parks & Recreation, Fire, and Police Departments;

Applicant's added comments:

Your exemption will be reviewed by the impact fee administrator within 24 hours and a determination made no longer than seven (7) working days from date of application; provided sufficient supporting documentation has been provided.

Energy Efficiency Incentive Programs

Your project may qualify for an energy efficiency incentive program from Idaho Power. For more information visit their website: idahopower.com/EnergyEfficiency/ To find a customer service rep for your area: Call their Customer Service Center at (208) 388-2860

Verification of Legal Lot or Parcel Status

Acceptance of this application does not validate the legal status of any lot or parcel. Prior to submitting for a Building Permit you must have a Verification of Legal Parcel Status form signed by the Boise City Subdivision division. It is the applicant's responsibility to provide deeds and/or other documentation to the Subdivision division. See Verification of Legal Lot or Parcel Worksheet for submittal requirements.

Required Documentation and Drawings

See New Commercial/Commercial Additions Plan Intake Submittal Checklist for requirements. Staff will perform a review for completeness prior to accepting New Commercial/Commercial Addition applications.

Additional Required Permits

The erosion and sediment control section of this application is required with the building permit. Trade permits for mechanical, plumbing and electrical are obtained separately. Fire sprinkler and fire alarm permits are obtained separately.

The undersigned declares that the above provided information is true and accurate. The undersigned acknowledges that failure to provide true and accurate information may result in rejection of this application, possible revocation of the permit where wrongfully issued and subject the undersigned any applicable civil and/or criminal penalties.
