Conditions Attached - Separate Report

The undersigned hereby applies for a permit for the work herein indicated or as shown and approved in the accompanying plans and specifications and agrees to call for the required inspections when the work is ready. It is understood by the undersigned that this permit is issued subject to all applicable Boise City codes and ordinances. It is hereby agreed that the work called for herein shall be done in compliance with said city codes and ordinances. This permit will become null and void if the building or work authorized by such permit is not commenced within one calendar year from the date of issuance of such permit, or if the building or work authorized by such permit is suspended or abandoned at any time after the work is commenced for a period of 180 calendar days.
