## YOU'RE INVITED!

### Neighborhood Meeting to Discuss Boise State Challenge Course

Boise State's Department of Campus Recreation is preparing to submit a Conditional Use Amendment application with the City of Boise. The request is for consideration of a Challenge Course on the property located at 1507 S. Oakland Avenue, also known as the BOAS Tennis and Soccer Facility.

A Challenge Course contains a mix of high- and low-rope initiatives, where groups are guided through leadership and teambuilding activities. All activity will be under the supervision of Campus Recreation staff, and during scheduled times.

As a neighbor of the site, Boise State would like to invite you to an open house, scheduled for the location and time outlined below. Please come with questions or just to see examples of what the Challenge Course may look like.
