Development Impact Fees Exemptions Request

"Development Impact Fee Ordinance," Per Boise City Code: "Exemptions" IMPORTANT: The developer must apply for impact fee exemption at the time of application for a building permit. Any exemption not claimed prior to the issuance of a building permit shall be deemed waived by the fee payer.

Exemptions - Standard:

Rebuilding the same amount of floor space of a structure destroyed by fire or other catastrophe, provided the structure is rebuilt and ready for occupancy within two (2) years of destruction;

Remodeling or repairing a structure which does not increase the number of square footage or residential units;

Replacing a residential unit, including a manufactured home, with another residential unit on the same lot, provided the number of residential units does not increase;

Placing a temporary construction trailer or office on a lot;

Constructing an addition on a residential structure which does not increase the number of residential units;

Adding uses that are typically accessory to residential uses, such as tennis courts or clubhouses, unless it can be clearly demonstrated that the use creates a significant impact on the infrastructure capacity of the Parks & Recreation, Fire, and Police Departments;

Applicant's added comments:

Your exemption will be reviewed by the impact fee administrator within 24 hours and a determination made no longer then seven (7) working days from date of application; provided sufficient supporting documentation has been provided.
