BOISE RV TRAVEL RESORT

**BOISE IDAHO'S NEWEST FULL-SERVICE
TRAVEL RESORT**

Welcome to Boise! We are a Family & Pet Friendly property with 52 large, comfortable and relaxing spots available. The Resort consists of 52 full hook ups, 24' wide x 65' deep. We also have proudly included smart built technologies to conserve energy and our beautiful state resources. The property is adorned with water saving features, rocks, stones, trees, grasses and shrubs found throughout the Southern Idaho deserts and mountains.

BOISE RV TRAVEL RESORT

With quick, easy and direct access to/from the freeway as well as dining, shopping and entertainment being just steps away our guests will feel right at home as soon as they pull into the Resort. Strategically located in the center of the Treasure Valley we are an easy trip to the River Walk, Downtown, Shopping, Restaurants, the Green Belt, BSU, Boise Airport, Firebird Raceway, Bogus Basin and Lucky Peak.

Safety is a priority that's why we provide a secure fully fenced community, safe, wide, easily navigable paved roads & spaces along with fully landscaped buffers between each over-sized space. We value our guests and want to be sure they are safe on the road as well that is why we offer a 3000 sq ft maintenance & detail shop for our guests to spruce up any minor RV deficiencies that may happen along the way.

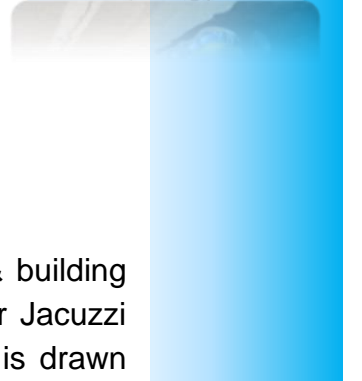

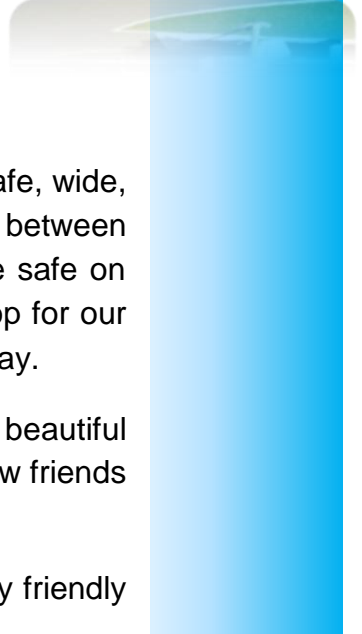

Our guests are sure to enjoy our private & quiet block perimeter walls, beautiful landscaping with almost 200 shade trees & picnic tables to converse with new friends and traveling families.

With those on the go in mind Boise RV Resort offers additional Pet & Family friendly amenities including:

- 3000 sq. ft. guest club house
- 3000 sq. ft. patio social area
- 24 hour check in & caretakers quarters
- 4 ADA bathrooms
- 4 ADA full hook up RV spaces
- Full trash recycling program
- Fresh water supplies
- Patios
- BBQ areas
- Jacuzzi
- Concrete patio deck
- Dog walk areas
- Waste sewage dump
- Laundry room

The RV Resort will be Boise's most Eco-friendly travel Resort. All area & building lighting will be lit low light via solar and LED bulbs, along with a hot water Jacuzzi thru the usage of solar water heaters on the roof top. Landscape water is drawn from domestic irrigation wells and surface drain water from rain storms caught in landscaped retention areas and allowed to slowly seep back into grasses.

We welcome all travelers with our Eco Awareness and Family Friendly Philosophies of Safety, Community and FUN!

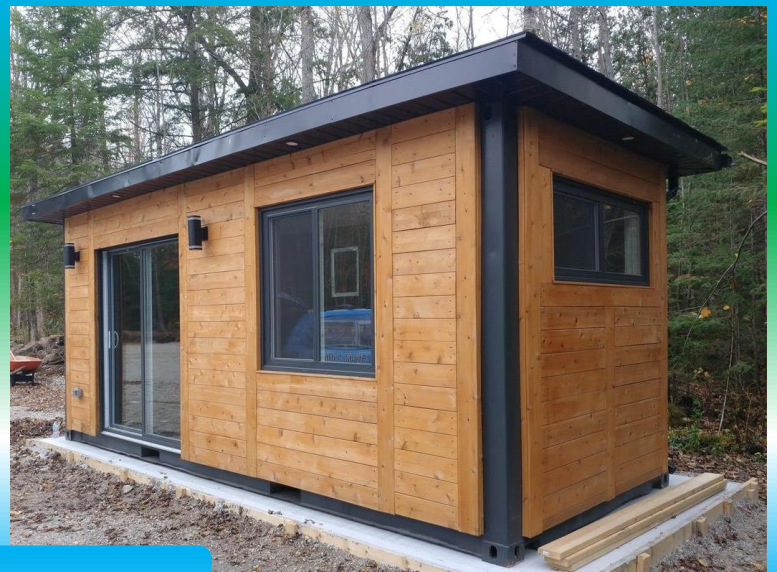

Urban Camping

BOISE RV TRAVEL RESORT

Urban Camping in our Cabins is a great option for the vacationer on a limited budget but still wants the camping experience while traveling in a small car or by motorcycle. Our 20' Sea containers are repurposed and used for an urban cabin feeling. Each cabin is tastefully decorated inside and out. Staying Eco friendly all cabins are lit with solar led lighting. We have 16 dry units placed strategically with landscaping throughout the park.
