**1. Project Name:**

Goldfish Swim School

**2. Project Description:**

pool permit submittal

**3. Is the property on a hillside?**

Yes  No

If **yes**, a separate hillside development application may be required prior to submitting for a building permit, per Boise City Code. To determine if an application is required, please call (208) 384-3900.

If **yes**, an engineered pool plan, grading and drainage plan, and engineered soils report may be required to be incorporated in plan submittal. A preliminary review of plans will be required prior to acceptance.

**4. Planning & Zoning Information**

A. Land Use Zone:

B. Design Review Number:

C. Conditional Use Number:

D. Zoning Certificate Number:

E. Other:

**5. Pool Information:**

Classification per ANSI-APSP-1 Standard.

**A. Public Swimming Pool Classification**

- Class A     Class B     Class C     Class D     Class E     Class F

Public swimming pools are classified as follows for purposes of reference and application of this standard:

**Class A Pools:** Class A pools are intended for use for accredited competitive aquatic events such as Federation Internationale de Natation (FINA), U.S.A. Swimming, U.S. Diving, National Collegiate Athletic Association (NCAA), National Federation of State High School Associations (NFSHSA), etc. The pool may also be used for recreation. Class A pools are covered unless otherwise noted in the body of the standard.

**Class B Pools:** Class B pools are intended for public recreational swimming not otherwise classified. Class B pools are covered within the scope of this standard.

**Class C Pools:** Class C pools are pools intended for use for apartments, condominiums, property owner associations, multi-family owned pools, etc. and are covered within the scope of this standard. Pools operated solely for and in conjunction with lodgings such as hotels and motels are also covered within the scope of this standard.

**Class D Pools:** Class D pools are not covered within the scope of this standard. Class D pools are operated for special purposes, including, but not limited to wave action pools, activity pools, leisure rivers, vortex pools, and sand bottom pools (Requires State of Idaho review and approval.)

**Class E Pools:** Class E pools are pools used for physical therapy and are above 86 degrees Fahrenheit and are not covered within the scope of this standard.

**Class F Pools:** Class F pools are wading pools and are covered within the scope of this standard as set forth in 6.9 and 8.4.2 and as noted in other sections of the standard.

**B. Occupancy Groups**

- A-3: Indoor pool, no spectator seating  
 A-4: Indoor pool, spectator seating  
 A-5: Outdoor pool participation and viewing

**C. Pool dimensions (width-length):**

70'-0" x 25'-0"

**D. Pool depth (in feet):**

4'-2"

**E. Total Pool Area (square feet):**

1,786

**F. Total Pool Deck Area (square feet, within barrier enclosure):**

2,364

**G. Will pool support building be submitted concurrently with this permit?**

- Yes     No

(Mechanical equipment room, dressing/shower rooms, storage room, rest rooms) See #502 New Commercial/Commercial Additions application for separate permit submittal package.

**H. Pool type:**

**I. Was a preliminary plan review conducted?**

- Yes     No

Plans Examiner:

**6. Fire Information**

**If the pool is within a building, complete the following:**

A. Is there a fire alarm system?     **Yes**     **No**

B. Is the building fully sprinklered?     **Full**     **No**     **Partial**

If yes, will the sprinklers be used for:

Allowable Area Increase?     **Yes**     **No**

Story Increase?     **Yes**     **No**

Fire-resistive Substitution?     **Yes**     **No**

Other?

If partially sprinklered, where?

Please select one as it applies to fire alarms (Phone: 395-7809):  New system in new building  New system in existing building  Modification to existing system

I certify that the Values and Scope of Work given is the most accurate available at this time.

**Contractor Registration Declaration Form**

As of January 1, 2006, Planning & Development Services requires a registration number be supplied with the permit application. Check for more information.

I certify:  is my **Contractor Registration Number** issued by the State of Idaho as required by Chapter 52, Title 54 of the Idaho State Code and that such registration is current as of today.

I am not providing a Contractor Registration Number because I am exempt per Idaho State Code 54-5205.

The undersigned declares that the above provided information is true and accurate. The undersigned acknowledges that failure to provide true and accurate information may result in rejection of this application, possible revocation of the permit where wrongfully issued and subject the undersigned any applicable civil and/or criminal penalties.
