Hi Cathy,

I was out yesterday afternoon and trying to catch up. I can only say that it seems with historical use, it seems viable to me. There are no plans to widen that road that I can find. I don't know what Boise City will say, but I don't see a problem with leaving the parking as it is.

Hi Summer
Thought I would check back in and see if you had a chance to review the information I sent yesterday.

Thanks.
