Dear Mr. Riddle,

The Harris Ranch Review Board (HRRB) has approved the final design documents for apartment buildings at Harris Ranch SW12&13 with conditions noted:

Physical color and material samples were not available due to Covid 19 Shelter in Place orders. Final colors to align with colors indicated in approval documents submitted, with specific color numbers to be submitted for confirmation prior to installation/application of items.

All signage to be submitted for HRRB review and approval, prior to installation.

If you have any questions, please call me,
