Re: De-annexation Application; CAR12-00004
2288/2289 N. Garden St.

Dear Scott,

This is a request to de-annex parcels of land from the City of Boise along N. Garden Street, including the associated right-of-way.

The Boise Fire Department has reviewed and can approve the application subject to compliance with all of the following code requirements and conditions of approval. Any deviation from this plan is subject to Fire Department approval. Please note that unless stated otherwise, this memo represents the requirements of the International Fire Code (IFC) as adopted and amended by Ordinance 6308.

Comments:

1. The area in question is currently served by the Boise City Fire Department (BFD). Upon completion of de-annexation, it is proposed to be annexed into Garden City and will then be served by North Ada County Fire and Rescue District (NACFR). No changes in service levels are anticipated with the proposed annexation/de-annexation as NACFR and BFD operate under an existing joint powers agreement. If the properties do not complete annexation into Garden City, they shall request inclusion to NACFR for purposes of fire protection.

Please feel free to have the applicant contact Romeo Gervais at 570-6567 if they have any questions.

Regards,

Romeo P. Gervais, P.E.
Deputy Chief – Fire Marshal
