MEMO TO THE FILE

RE: CAR14-00014 / North River Planning Area

This memo is to inform of the action taken by the Boise City Council on this request for annexation of ±925 parcels totaling ±592 acres generally located between city limits and Horseshoe Bend Road and between State Street and Hill Road. Zoning districts to be assigned will generally match existing Ada County zoning as closely as possible (see annexation plan).

The Boise City Council, at their meeting of September 16 2014, approved your request as per the recommendations and findings of the Planning and Zoning Commission.

It will be necessary for the Boise City Council to present three readings of the proposed ordinance before the completion of the annexation.

Questions may be directed to Scott Spjute at (208) 384-3831.
