Boise City Planning:

There are no Boise Project facilities located on the above-mentioned property, however it does in fact possess a valid water right.

Local irrigation/drainage ditches that cross this property, in order to serve neighboring properties, must remain unobstructed and protected by an appropriate easement.

If you have any further questions or comments regarding this matter, please do not hesitate to contact me at (208) 344-1141.

Sincerely,
